THE STAY LUCKY CONTEST IS A FUN AND TOTALLY FREE COMPETITION DESIGNED TO INCREASE CONSUMER AWARENESS OF AND INTEREST IN THOROUGHBRED HORSE RACING. THIS CONTEST MAY NOT BE USED FOR, OR IN CONNECTION WITH, ANY FORM OF GAMBLING.

ELIGIBILITY

The Contest is open only to legal residents of the 50 United States and the District of Columbia who are at least eighteen (18) years of age or older (or the legal age of majority in the case of legal residents of certain states where the legal age of majority is greater than eighteen (18) years of age) at the time of entry with a valid e-mail address and Internet access as of January 29, 2022. If you are not eligible due to the preceding requirements, you may still play, but WILL NOT be eligible to receive any prizes.

Employees or consultants of TJC Media Ventures, Inc. ("America's Best Racing" or "Sponsor"), its insurers or any of their respective parents, affiliates and subsidiaries (collectively, "ABR Entities") are not eligible to win a prize. Also not eligible to win a prize are employees or consultants of any of America's Best Racing's advertising and promotion agencies, contest sponsors, third-party prize providers, contest insurers and their respective immediate family members (parent, sibling, child or spouse and their respective spouses, regardless of where they reside) and any person residing in the same households of any of the same, whether or not related to such persons.

The object of the America's Best Racing Stay Lucky Contest (the "Contest") is to pick winners of certain graded stakes races identified by America's Best Racing in order to establish a virtual

"winning streak" and keep compiling wins without any intervening losses for as long as possible. You'll do this by picking winners from the certain North American graded stakes races selected by Sponsor with at least seven (7) horses entered which are selected for the Contest by America's Best Racing (i.e., a "Qualifying Race") and made available via the free America's Best Racing Stay Lucky mobile application (the "Application"). If the racehorse you select wins the applicable Qualifying Race, your streak continues. If the racehorse you select does not win the applicable Qualifying Race, your streak ends. Following such a loss, you may continue to participate in the Contest, but you will start from a zero (0) wins starting streak position. For the avoidance of doubt, a horse "wins" a Qualifying Race only where it finishes the race in first place as reflected by the Official Result for that race. The term "Official Result" means the official results for the applicable Qualifying Race as first reported by Equibase Company LLC ("Equibase").

The Contest season begins with the first Qualifying Race that is run on January 29, 2022 and ends at 11:59:00 p.m. on November 5, 2022 ("End Date"). All streaks then in process will end (i.e., all streaks will be set to zero (0)) on the End Date and no such streak will be carried forward to any future versions of the Stay Lucky Contest.

HOW TO REGISTER

You may register to participate in the Contest at any point during the year by using the Application. No other method of registration will be accepted. All entries must include a valid e-mail address for the participant. Limit one (1) registration account per person. Use of multiple identities, unique email addresses, or other means to create additional registrations or accounts is grounds for disqualification.

To register for the Contest, install the Application using a compatible device (Apple devices running iOS 11 operating systems and later, and Android devices running Android 5.1 "Lollipop" operating systems or later). Once installed, follow the instructions to launch the Application and register for the Contest. Please note: Standard data usage and other carrier fees may apply; check with your carrier for pricing details. Wireless service is not available in all areas. Throughout the Contest, America's Best Racing may release important updates to the Application for which you will receive notification via in-app messaging or otherwise. Be sure to install these updates to ensure you are able to make selections via the Application. America's Best Racing shall have no responsibility or liability for any lost or undelivered race selections, transmission errors or any other factors which may impede or impair any Contest participant's access to the Contest, submission of picks or any other problems which may arise due to a participant's failure to update the Application with the then most current update available for the Application.

HOW TO PLAY

Selecting Your Winners - Each day on which there are one or more Qualifying Race(s), you may attempt to predict a winner from the list of horses entered into such race(s) (the "**Active Horses List**"). You may select any horse in a Qualifying Race from the **Active Horses List**,

including any horse you have previously chosen for an earlier race, until fifteen (15) minutes prior to the scheduled post time (based upon the time at the location of the race) for such race (the "**Lock Time**"), after which a selection cannot be changed and races will be closed for new selections. You can make your selections as soon as the entries become available via the Application and you may select as many winners (one per race) as there are Qualifying Races. Horses may be "scratched" (removed from the race by its owner, trainer, veterinarian or race officials, among others) from races for many reasons (veterinarian decision, surface change, inclement weather, etc.) without warning, in which case you will be permitted to adjust your pick before Lock Time or, if you are unable or do not have time to change the pick, your selection of a scratched horse will not impact upon your streak. For example, if you have a streak of six wins and select a horse that subsequently is scratched from a Qualifying Race and you do not make a subsequent alternative selection, your streak will remain intact at six wins notwithstanding the outcome of that race.

You must make a minimum of one (1) selection per week in order to maintain your current streak. Each calendar week runs from Monday at 4:15 a.m. Eastern Time ("ET") through the following Monday at 4:14.59 ET. If one calendar week passes without a player making at least one (1) selection, the player's streak will be reset to zero (0).

"Also-eligible" and "main-track-only" entrants will be available among the entries for selection. "Also-eligible" horses may be added into a race in the event of a scratch of another horse from a full (maximum capacity) field; "main-track-only" horses may be entered for turf races with the condition that they only will compete if the race is moved off the turf track to the main dirt or synthetic surface track. In either instance, players may select those horses. If such a runner starts in the race and wins, one (1) victory will be added to your current streak. If that runner starts in the race and does not win the race, your streak will be reset to zero (0). If the horse does not compete, it will be officially listed as a scratch (as outlined above) and the race will not count for or against your current streak. If a horse that you have selected is disqualified, it will be deemed to be a loss and your streak will be reset to zero (0).

Only those horses that are identified as winners in the Official Results (as defined above) for a Qualifying Race will count toward a streak. In the event of a disqualification by the racetrack stewards, the Official Result from Equibase will control, and only players selecting the winner identified by the Official Result will have that win credited to their streaks.

ESTABLISHING AND MAINTAINING A STREAK

All Contest selections must be made via the Application. Any selection of a horse communicated to America's Best Racing via alternative means shall be void. Your streak is measured by the number of consecutive winners you select. Your streak will automatically end and you must start to build your streak again from zero (0) if you select a horse who does not win the Qualifying Race for which you selected that horse to win.

In the event of a dead heat (a tie between two or more horses) for first place being the Official Result, players who select one of the two (2) or more horses officially credited with a win in the Official Result will add one (1) win to their current streak.

Participants will be allowed to select a winner from multiple Qualifying Races on a given day. For example, if a player picks four (4) winners from four Qualifying Races on a given day, that player will be credited with four (4) wins to their current streak.

You can make your picks once official entries for each Qualifying Race become available via the Application. You can select winners of as many Qualifying Races as there are available on a given day. Streaks will be updated one time per day at 4 a.m. ET. Streaks will be scored for streak determination purposes, in order, based upon the most recent (i.e., closest to the actual start of the race) scheduled post time listed by Equibase. In the event that two races have exactly the same most recent post time listed by Equibase, the final winning time of the race will be used to determine which race will be included in streak calculations first. (For example, a three-quarter mile Qualifying Race and a 1 ¼-mile Qualifying Race start at the same time. The former race is won by a horse in 1:09.55; the latter is won by a horse in 2:01.57. In this instance, the three-quarter-mile race would be credited against streaks first.) In the event that two races have the same most recent scheduled post time as listed by Equibase and are won in the exact same time — (for example, two three-quarter-mile sprints both won in 1:09.42) — the races will be credited against streaks on an alphabetic basis using the applicable racetracks' official titles for the races in question.

All streaks that are current through the conclusion of the Contest on November 5, 2021 will be reset to zero (0) on the conclusion of that date and no streaks will carry forward to any subsequent versions of this contest.

PRIZES

Prize winners are fully responsible for any and all applicable federal, state, county and local taxes (including income and withholding taxes) due as a result of acceptance of a prize. All costs and expenses associated with prize acceptance and use not specified herein as being provided by America's Best Racing including, but not limited, to any and all costs and expenses incurred by accepting and using any prize are the sole responsibility of the winners. Prizes are non-transferable and non-assignable, with no cash redemptions except in America's Best Racing's sole and absolute discretion. America's Best Racing reserves the right to substitute a prize of comparable or greater value if any advertised prize becomes unavailable. All prize details are at the sole discretion of America's Best Racing. **NO PRIZES WILL BE AWARDED IF NO PARTICIPANT ACHIEVES A WINNING STREAK OF AT LEAST FIVE (5) WINNERS. Prizes may be won cumulatively - so a Contest participant may win prizes at multiple tiers during a streak. However, participants are eligible to win only one prize per tier regardless of win accumulations in different streaks.**

Contest prizes are limited in number on a prize-by-prize basis as identified below. All prizes will be available on a "first come, first served" basis meaning that the limited number of prizes made available at any given time throughout the Contest will be diminished as they are won by participants. Prizes at each prize level will be available until all of the identified available items at that level have been won. If multiple participants simultaneously become eligible to receive a prize at a particular prize level and if the number of such participants exceeds the number of prizes (or prize types) available at that

level, the eligible participant(s) who validate their claims soonest will have first choice of selecting from the limited number of prizes (or prize types). In order for an eligible, potential prize-winning participant to validate their claim, the participant must fully complete and submit to America's Best Racing each the following documents (for further information, see section below entitled "Prize Notification/Acceptance Procedures"):

- Affidavit of Eligibility (requires notarization by a notary duly licensed in the state of the contestant's residence),
- A Publicity and Liability Release, and
- A completed IRS W-9 form.

Once the available number of prizes for a given prize level or prize type have been exhausted, participants whose streaks reach that level (or who have reached that level simultaneously with others but who did not validate their claims before the others) will either win the alternative prize available at that streak level (if still available), or, if no prizes at that streak level remain, no further prizes for achieving that streak level will be awarded.

All prizes are subject to terms, conditions and limitations of the applicable prize provider. Where a prize has associated terms, conditions, and restrictions the winner accepts the prize subject to those terms and conditions and restrictions.

GRAND PRIZE

The first eligible participant, if any, to achieve at least an unbroken twenty (20) race winning streak per these Official Rules will be eligible to receive that participant's choice of either: (1) \$1,000,000 paid via a forty (40) year annuity that pays out \$25,000 per year for forty (40) years with no interest accruing on such amount, or (2) a one-time payment of a lump sum of \$550,000. For the avoidance of doubt, a maximum of one (1) Grand Prize is available to be awarded for the entire Contest. **NOTE: Grand Prize will only be awarded if an eligible participant achieves an unbroken win streak greater than or equal to twenty (20) in accordance with these Official Rules.** In the event two (2) or more eligible participants have a win streak of nineteen (19) going into the same Qualifying Race, and two (2) or more of such eligible participant(s) gets to twenty (20) during that same Qualifying Race, the Grand Prize will be divided evenly among all such tied, eligible participants. For the avoidance of doubt, in the event any eligible participant has a streak of nineteen (19) and makes a pick that fails to win, such participant's streak would automatically end and returned to zero. **IN NO EVENT WILL MORE THAN ONE (1) GRAND PRIZE BE AWARDED FOR THE ENTIRE CONTEST.**

(Estimated Value: \$10,000) During the term of this Contest, one (1) such ownership experience is available to be won.

ODDS OF WINNING

Based upon a random selection of a horse for each race, the odds of correctly predicting the winner of a particular race may be determined by dividing 1 by the number of horses in that race, or 1/# of horses. The average number of horses in graded stakes races of the type that would be Qualifying Races is 8.8. The odds for correctly predicting the winner of any such race with a random pick would be 1 divided by 8.8 (1:8.8). To win a prize, you must correctly select an unbroken string of winners (i.e., a streak) that equals the length of the streak identified for the appropriate prize.

PRIZE NOTIFICATION/ACCEPTANCE PROCEDURES

Each potential prize winner will be notified by e-mail and/or telephone which may or may not be confirmed by postal mail, return receipt, with a request for necessary information to validate a prize claim (the "**Prize Notification**"). In the event that any potential prize winner does not respond to any such Prize Notification with the required information within five (5) calendar days of date of issuance of such notice, a disqualification may result and prize may be forfeited (but the participant's streak shall not be affected unless the applicable streak has reached or exceeded 20 and in such circumstances, the streak will be reset to zero (0)). Each potential prize winner may be required to submit his/her full legal name, valid social security number, home address, proof of age and/or other identification satisfactory to America's Best Racing and may be required to execute, have notarized and return an Affidavit of Eligibility and Release of Liability provided by America's Best Racing and, unless prohibited by law, a Publicity Release, all within five (5) calendar days of date of transmission to the winner's registered email address or mailing to the winner's residence. All winners of prizes valued over \$600 must submit to America's Best Racing the currently applicable IRS form W-9 at the same time as they return the other documentation referred to in this paragraph. Failure to (i) submit the identification required by America's Best Racing, (ii) return any required documents (which must, in all cases, be completed fully and, where applicable, duly notarized) within the specified time period, or (iii) noncompliance with these Official Rules will result in forfeiture of the applicable prize. America's Best Racing will have the right to disqualify any participant from any participation in the Contest due to such participant's non-compliance with these Terms and Conditions, declining a prize, the return of any prize or prize notification to the participant as undeliverable, or for ineligibility to win prizes under these Terms and Conditions or under applicable law.

The receipt by the winner of a prize identified above is conditioned under the compliance with these Official Rules and with any and all applicable federal and state laws and regulations. Any violation of these official rules by any prize winner will result in such winner's disqualification as a winner of the Contest and all privileges as winner will be immediately terminated.

DISPUTES

Governing Law: This Contest and any and all claims, actions, litigation, disputes or arbitral proceedings shall be governed by and interpreted under the laws of the Commonwealth of Kentucky, U.S.A. without regard to its conflicts of laws provisions, except that the arbitration provisions below shall be governed by the Federal Arbitration Act.

Arbitration: Entrants hereby agree that any and all disputes, claims, causes of action, or controversies ("Claims") arising out of or in connection with this Contest shall be resolved, upon the election by entrant or America's Best Racing, by arbitration conducted by telephone, online and/or be solely based on written submissions without any personal appearance by the parties or witnesses unless otherwise mutually agreed by the parties, pursuant to this provision and the code of procedures of the National Arbitration Forum ("NAF"). IF ARBITRATION IS CHOSEN BY ANY PARTY WITH RESPECT TO A CLAIM, NEITHER PARTY WILL HAVE THE RIGHT TO LITIGATE THAT CLAIM IN COURT OR HAVE A JURY TRIAL ON THAT CLAIM. FURTHER, NEITHER SPONSOR NOR ENTRANT WILL HAVE THE RIGHT TO PARTICIPATE IN A REPRESENTATIVE CAPACITY ON BEHALF OF THE GENERAL PUBLIC OR OTHER PERSONS SIMILARLY SITUATED, OR AS A MEMBER OF ANY CLASS OF CLAIMANTS PERTAINING TO ANY CLAIM SUBJECT TO ARBITRATION. EXCEPT AS SET FORTH BELOW, THE ARBITRATOR'S DECISION WILL BE FINAL AND BINDING. NOTE THAT OTHER RIGHTS THAT ENTRANT WOULD HAVE IF ENTRANT WENT TO COURT ALSO MAY NOT BE AVAILABLE IN ARBITRATION. Unless both entrant and America's Best Racing agree otherwise, the arbitrator may not consolidate more than one person's Claims, and may not otherwise preside over any form of a representative or class proceeding. The arbitrator's authority to resolve Claims is

limited to Claims between America's Best Racing and entrant alone, and the arbitrator's authority to make awards is limited to awards to America's Best Racing and entrant alone. Furthermore, claims brought by either party against the other may not be joined or consolidated in arbitration with Claims brought by or against any third party, unless agreed to in writing by all parties. The arbitrator may award declaratory or injunctive relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party's individual claim.

No arbitration award or decision will have any preclusive effect as to issues or claims in any dispute with anyone who is not a named party to the arbitration. Notwithstanding any other provision in these Official Rules and without waiving either party's right to appeal such decision, should any portion of this provision be deemed invalid or unenforceable, then the entire provision (other than this sentence and the paragraph below) shall not apply.

Litigation: If arbitration is not used to resolve a Claim, entrant AGREES THAT THERE WILL NOT BE A JURY TRIAL. ENTRANT AND AMERICA'S BEST RACING EACH UNCONDITIONALLY WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY CLAIM OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS CONTEST IN ANY WAY. IN THE EVENT OF LITIGATION, THIS PARAGRAPH MAY BE FILED TO SHOW A WRITTEN CONSENT TO A TRIAL BY THE COURT. Entrant further agrees that, to the extent allowed by applicable law, (i) any and all disputes, claims, and causes of action arising out of or in connection with the Contest, or any prize awarded, shall be resolved individually without resort to any form of class action; (ii) any claims, judgments and awards shall be limited to reasonable and actual out-of-pocket costs incurred, including costs associated with entering the Contest, but in no event attorney's fees; and (iii) under no circumstances will any entrant be permitted to obtain any award for, and entrant hereby waives all rights to claim, punitive, incidental, indirect or consequential damages and any and all rights to have damages multiplied or otherwise increased and any other damages, other than damages for reasonable and actual out-of-pocket expenses. Any litigation relating to these Official Rules or the Contest shall be brought exclusively in the state or federal courts in Fayette County, Kentucky, and entrant hereby consents and waives any objection to such jurisdiction.

MISCELLANEOUS

America's Best Racing reserves the right at its sole and absolute discretion (i) to cancel, terminate, modify or suspend the Contest; and/or (ii) to disqualify any individual it finds to be tampering with the entry process or the operation of the Contest or Application. America's Best Racing may prohibit an entrant from participating in the Contest or winning the prize if, in its sole and absolute discretion, it determines that said entrant is attempting to undermine the legitimate operation of the Contest by cheating, hacking, deception, or other unfair playing practices (including the use of automated quick entry programs) or intending to annoy, abuse, threaten or harass any other entrants, America's Best Racing or users of the America's Best Racing service. Any attempt by an entrant to deliberately damage the Application or undermine the legitimate operation of the Contest is a violation of criminal and civil laws and should such an attempt be made, America's Best Racing reserves the right to seek damages from any such entrant to the fullest extent of the law.

No waiver, modification or cancellation of any term or condition of these Official Rules shall be effective unless expressly stated in a writing executed by America's Best Racing.
